Match Game

What's the game fellas?

- Studio contestant is asked a series of "Super Match" questions against the clock as a "stake-setter"
- Contestants are paid off for each #1, #2, or #3 answer they give
- Only home players that answer the same as contestant remain in the game. Others are eliminated as we play
- At the end of the time, the contestant can keep their money or try to multiply it by 5
- To win, we randomly pick a home player and the contestant must match the player in a "Head to Head" match
